

This scholarship aims to support and empower aspiring female engineers and geoscientists in Canada by providing financial assistance to those pursuing their post-secondary education. Our scholarship program offers an incredible opportunity for deserving individuals to further their academic journey, foster innovation, and contribute to the advancement of female engineering and geosciences in Canada. We are thrilled to invite eligible candidates to apply and take a step toward realizing their dreams.

Eligibility Criteria

To be considered for this scholarship, applicants must meet the following eligibility criteria:

- Enrolled in a full-time post-secondary institution specific to engineering or geosciences.
- Must be a resident of Canada and planning or currently attending a Canadian institution.
- Commitment to completing the full program.

The Company reserves the right to deny any application for any reason, including but not limited to:

1. Incomplete Application
2. False Information
3. Inadequate Responses

Please submit your **complete** application with all other required documents to hr@surgeenergy.ca

Application Process

Applicants must provide:

- Provide proof of enrollment in a full-time engineering or geosciences program at a recognized post-secondary institution.
- Complete the application form, ensuring that all sections are filled accurately and completely.
- Include a reference letter that highlights your academic achievements, extracurricular involvement, and personal qualities that make you a strong candidate for the scholarship. If you are unable to provide a reference letter, a statement of intent in the form of a cover letter would also be acceptable.
- Unofficial transcript of any completed post-secondary courses.

Scholarship Application

1. Please provide a brief overview of your academic achievements and extracurricular activities.

2. How did you become interested in, and what influenced your decision to pursue this field of study?

3. If awarded this scholarship, how do you plan to utilize the funds to further your education or career goals?

4. Have you considered working in the energy sector? If so, please explain your interest and any specific goals you have in this area.

5. What ways can energy organizations encourage female students to pursue engineering and geosciences and then continue with a career in oil and gas? What would inspire you?

6. Is there anything else you would like to share about yourself, your aspirations, or your commitment that would encourage us to choose you for this scholarship?

Declaration

I declare that:

- All information provided in this application is true, complete, and accurate.
- I understand that any misrepresentation or omission of facts may result in disqualification from the scholarship.
- I authorize the scholarship committee to verify the information provided in this application, including contacting the educational institution and references.
- I acknowledge that the scholarship committee's decision is final and binding.

I understand and agree:

- To abide by all rules, regulations, and guidelines set forth by the scholarship program.
- If awarded the scholarship.
- I agree to participate in any publicity activities related to the scholarship program, including the use of my name and image for promotional purposes. However, my consent to sharing my information is not required to be eligible for the scholarship and I will contact Surge and request it not be shared if I so desire.
- By signing this declaration, I acknowledge that I have read and understood all the requirements and conditions outlined in the scholarship application.
